OFFICIAL PAPER OF THE CITY

THE IVANHOE BRIDGE

It really looks now as though Mr. Veselich and his coworkers were to see the fruition of their efforts and behold a really, truly Ivanhoe bridge in place of the mirage which has been spurring them on for years.

After declaring that $10,000 was the limit to its appropriation for the bridge, the Los Angeles City Council raised the amount to $12,500 which with the amount appropriated by the County Supervisors would leave $2500 to be raised somehow by this district.

Tropico has been putting her shoulder to the wheel ever since the project was broached, realizing the value to the San Fernando valley of the proposed bridge and boulevard. She has spent about $2000 to further the project; but her sister municipalities, who will derive the same benefits and in greater degree because they have a larger population to use and profit by the thoroughfare, have hung back and are still hanging back on the proposition of appropriating money to make up the deficiency. Another conference of the trustees of Tropico, Burbank and Glendale will be held in Glendale tonight, when it is hoped these cities will come through and do the fair thing. The Supervisors have agreed to give $1500 more, so a paltry $1000 remains to be provided for. If Glendale wants to further the consolidation of Tropico and Glendale, she can hardly afford to show niggardly spirit and shunt all the burden of this great improvement onto our little city, which has displayed such public spirit in the matter. If she ignores her financial duty in this matter, Tropico will have little reason to anticipate the manifestation of any generous consideration for her interests on the part of "the jewel city" in the event of consolidation.

The construction of the Ivanhoe bridge will be a big thing for the west and northwest part of Los Angeles as well as for the San Fernando Valley. City and county officials realize this else they would not have made the appropriations.

This is how the real estate editor of the Los Angeles Times views the matter. In the Sunday edition he says:

"It is somehow difficult to believe even in the face of facts, that the three great related improvement projects that mean so much to northwest and west Los Angeles and the downtown business section are at last shaping to a realization. First they let the contract, a real, honest-to-goodness contract, too, for the West First-street boulevard. Then, last week another miracle happened and the Second-street tunnel and the Ivanhoe bridge were officially authorized, one within a few days of the other.

"The Council showed the right spirit clear through in the summary way in which they disposed of the Ivanhoe bridge project. Los Angeles city and county, in the persons of city councils and boards of supervisors, have been wrestling for years with the problem of building a little $20,000-bridge across the Los Angeles River at Ivanhoe station, with the end to cutting down the traveling distance by automobile between Los Angeles and the Glendale district.

"The value of the Ivanhoe bridge, of course, lies in the fact that it will link the extension of Lakeshore avenue in this city with Brand boulevard, north of the river. Lakeshore avenue, running into Second street at the junction of that street and West First, will have a direct outlet into downtown Los Angeles through the Second-street tunnel. Let's get started on these projects! They mean much more to the city than even their principal supporters probably realize.

THURSDAY CLUB MEETING

A large and profitable meeting was held by the Thursday Afternoon Club at the home of Mrs. S. E. Brown last Thursday, Mrs. Thomas Gaither, Mrs. Hal Davenport and Mrs. Charles A. Barker being assisting hostesses.

The regular speaker of the day was Miss Adda G. Burch who gave a most excellent talk on Porto Rico, based on her personal experiences there. She briefly reviewed its history, described the island and its climate, its population, and compared conditions under Spanish and American rule. She also exhibited some very interesting curios. She is of the opinion it will yet become quite a competitor of Florida and California as a producer of citrus fruit.

Members were quite stirred by a strong address made by Captain C. A. Phelps, Vice Chairman of the Loyal League of California, who told of his experiences as a scout during the civil war. The present war is a very serious matter to him and in that spirit he presented to the club a service flag from the Loyal League. When the president, Mrs. Bullis, asked him to present the five service flags which the club is giving to members who have immediate members of their families in service, he broke down partially but nevertheless made a beautiful little speech with each of the flags which he gave to the following ladies: Mesdames E. T. Tholen, H. S. Ryerson, Hal Davenport, H. E. Fry and Ella Richardson. His audience was likewise deeply affected and for a few moments it was quite a teary affair.

A third speaker was Mrs. Clarkson, widow of Major Clarkson, former Commander in Chief of the G. A. R. who made a very fine, inspiring talk on patriotism and the war.

As usual the program closed with the singing of America, and then tea was served by the hostess.

The next meeting will be held November 15th at the home of Mrs. William Mabry on Acacia street. Mrs. Willoughby Rodman will be the speaker.

Meeting of School Trustees

All members were present at the meeting of Tropico Grammar School Trustees held in the Cerritos School House last Monday evening. Also present were Principal Dickerson and Janitress Searle.

In connection with the minutes of the previous meeting Mrs. C. A. Barker, clerk, submitted a brief financial statement of expenditures of the past month as follows:

Teachers' salaries, ...	$912.00
Salaries of Janitors, etc...	152.00
	$1064.00
Other necessary incidental expenditures	$200.00
	$1264.00

Two insurance policies on school buildings which are about to expire were presented and ordered renewed.

The repair of a cracked burner in the furnace of the Cerritos School and of the cement basin in which it rests, was reported by Mrs. Searle and Trustee Carmack undertook to make arrangements to have same repaired.

Some damage to the Acacia School by sneak thieves who forced an entrance, was also reported.

The only other business transacted was the auditing of current bills.

Cerritos School Benefit

Cerritos School teachers and pupils were greatly delighted with the Shakespearean program presented Saturday afternoon and evening in the Council Chamber of the City Hall by the Ralston Family of Glendale. From the sale of tickets $16.65 was realized for the athletic fund of the school.

Most of the rooms in the Cerritos School had parties last week, the festivities of the eighth grade coming off Thursday evening. In some of the rooms a preliminary "spelling down" was held to determine who should pay for the eats, and such is the irony of fate that some of the best spellers in the school were on the losing side.

RED CROSS DISTRICTS

Tropico has been divided into four districts under the plans for a sale to be held once a month in these districts in turn. No. 1 takes in the territory west of Central and North of Tropico avenue and Mrs. Glen Craig is chairman.

No. 2 is east of Central and extends from Magnolia to the city limits, Mrs. Joseph Griffin, chairman.

No. 3 takes in the Richardson Tract from Central and Eulalia south, Mrs. Richardson, chairman.

No. 4 is east of Central and south of Palmer and Mrs. Tiny Hammond is chairman.

A Famous Tropico Man

Mr. Edward Henry Weston, the artist photographer, who is more famous abroad than he is in his own community, has been made happy by the receipt of the news that of the ten pictures sent by him to the London Salon, the most important photographic exhibit in the world, seven have been hung. The ten examples of his work selected by Mr. Weston are very beautiful and may be seen at his studio. There are but 393 prints in the exhibit, and for the credit of the Golden State it should be known that 71 of those prints were the work of California artists. Last spring Mr. Weston was elected to membership in the London Society, a rare honor, as there are but seven members altogether on this continent one of those being a Canadian. Mr. Weston is the only member west of Philadelphia.

He has just exhibited at Sacramento and has under consideration an invitation to exhibit before the California Club in San Francisco, and also before the Society of Art at Portland, Maine. The coming spring he is to give an exhibit at the Brooklyn Institute of Arts and Sciences. Of more local interest, perhaps, is the announcement that in March he will make his annual exhibit before the Friday Morning Club of Los Angeles.

Mr. Weston is very loyal to Tropico and in all these exhibitions, which are attended by art lovers from all parts of the United States, Tropico is advertised as the place in which Mr. Weston lives and works.

ECHOS OF HALLOWE'EN

The Hallowe'en frolic at the Presbyterian church last Friday evening brought together about 150 children and a good sprinkling of adults who are susceptible to the attractions of a party. The majortity of the children "dressed up" in hallowe'en garb and that in itself furnished entertainment. All kinds of games were played, and Dr. Sharpe made a fine talk on the work and purposes of the Boy Scout Organization, decorating two Tropico boys with medals for good work done in the sale of bonds during the Liberty Loan drive.

Miss Louise Storer proved herself an altogether acceptable witch and helped to serve refreshments from a witch's caldron.

The decorations contributed in no small degree to the success of the affair and the hard worked committee deserves much credit. It consisted of Misses Dorothy Hobbs, Louise Storer, Ruth Ryan, Lucile Barnes and Mesdames Noble Ripley and H. F. Harrison.

WHAT IS THE MATTER WITH TROPICO?

To the Tropico Sentinel:

There seems to be a general feeling that something is wrong and that something should be done to bring Tropico to life again.

Let us try to analyze the situation and see if we can discover the trouble and suggest a remedy. We will use the process of elimination.

Is Tropico lacking any of the things that make for the comfort of modern life? No. Electricity, gas, good water, schools and library all are here.

Is Tropico behind other towns of her size and age in civic improvements? No. She will compare favorably with any town of her size in California in street improvements, lighting, fire protection, etc.

Is Tropico lacking in any natural element that makes a place desirable for residence? No, her climate, scenery and shade trees cannot be surpassed.

Is Tropico lacking in business prosperity? Yes there are many vacant stores and there are large tracts of the most desirable residence lots which are not selling and very few new homes are being built. Why is this so? As a matter of fact there are as many business places in operation now as the present population of the town can support. We commenced at the wrong end by building quantities of stores before we had the population to suport them. The population must be built up first and the stores will follow.

Many people seem to think that a union with Glendale will remedy all conditions and bring prosperity.

Will it do this?

No. It will give us nothing but a new name. All conditions will remain practically the same. Prosperity must come in the first place through the business enterprise of the large property owners and their agents. They must make prices and terms so attractive that people will be bound to build homes and factories here.

A union with Glendale would not impart this enterprise to Tropico people. It would simply mean giving up our independence.

HEADQUARTERS for EASTMAN KODAKS and SUPPLIES

Tropico will be the wife in this wedding of the towns and must "Love, honor and obey." And we must remember too that in the married life of cities there is no provision for divorce.

We sometimes hear of a person who feels that he has so little judgment and business ability that he wants some one else to manage his money and affairs and who turns everything over to a friend asking him to invest and manage for him.

The same thing is conceivable of a community. The citizens of a town might feel so little confidence in their own intelligence and ability as to wish to turn over their money and the management of their affairs to another town.

Do you feel this way about yourself and the other people of Tropico? If so go to the polls on Nov. 21 and vote "Yes", so that we may be placed under the guardianship of Glendale. If, on the other hand, you feel that the people of Tropico are the equal in intelligence and sagacity of those of any other town (and the record of the last five years proves this to be the case) then go to the polls and vote no that we may retain our independence, protect our interests and spend our own money for our own good.

WALTER C. SEAL.

History Repeats Itself

Red Cross work is by no means confined to young women. Some of the most efficient women who gather at the headquarters Monday afternoon have tales to tell of similar experiences during the civil war. Last Monday Mrs. Hayes and Mrs. Decker were telling of the work in the fields that women were forced to do in the sixties and of the like response which women are making today to the needs of the hour. At the present time Mrs. Hayes' daughter is farming 300 acres in Montana which she has purchased within the past year. She is doing her own plowing and hopes to get forty acres into wheat. She has been a teacher all her life and is enjoying the change in spite of the hard work.

Mrs. Decker and Mrs. Hayes whose pensions have been increased under the recent ruling, are planning to celebrate their good fortune by a trip to the beach.

LOCAL HAPPENINGS

John Collage spent Sunday evening in Tropico.

In Douglas

Little Harriet Wilbur is i nDouglas, Arizona, with Mr. and Mrs. Barclay, friends of her parents. She is enjoying the change.

Back From the City

Mr. and Mrs. D. O. Chandler of La Clede avenue have returned to their home in the Atwater Tract, and seem glad to be in the country once more.

Soldiers Kept Busy

Mrs. White has had a recent letter from her son Edward, now stationed at Camp Kearney in which he says he likes his duties very much but has to work harder than before.

Joan Spear

Mr. and Mrs. Fred Spear of Penn street, Glendale are the happy parents of a 7½ pound girl born last Thursday morning. It is their second child and second daughter, and they have named her Joan.

From Terre Haute

Mrs. Mary P. Hamill of Terre Haute, Ind., is the guest of Mr. and Mrs. D. O. Martin. It is her first visit to California and she is greatly delighted with the state. She may yield to the persuasions of her brother, William Payne Martin of Whittier, and decide to stay permanently.

The Harveys Return

Mr. and Mrs. William Harvey Jr., returned last week from the east where they spent two delightful months visiting in and around Chicago and the John Seaman family in Middletown, Ohio. With the Seamans they toured the country around Middletown extending their travels into Kentuckey and Michigan. Mrs. Harvey pronounces the country very beautiful, particularly in the autumn colorings in which they saw it. They think of renouncing California and returning to the east to make their permanent home.

New Comers

Several new families have been added to the population of Tropico during the past week. Mr. and Mrs. Fox of Los Angeles have moved into the Payne house on Central near Gardena. Mr. and Mrs. Thompson of Los Angeles have taken the house owned by Mrs. Scott Johnson at 512 Brand Boulevard.

The Firer house on Gardena near Mira Loma has been leased by a family from Portland.

Mr. and Mrs. Young of Portland, who spent the summer in Ohio, have come to Tropico for the winter and are occupying the Dranfield house at 210 East Cypress.

Tropico is rapidly filling up and there will soon be no vacant houses to be had.

Miss Mildred Dranfield spent Monday with her parents on North Glendale avenue.

Boy Scout Course

Dr. H. E. Sharpe will begin at the Friday evening meetings of the Boy Scouts, a course in first aid, in which the boys are likely to take a deep interest. They are still meeting in the Magnolia school on San Fernando Road.

The Block System

The block system which worked out well for the prayer meetings under the Sunday campaign, is to be reorganized and continued for weekly meetings for Bible study. The list of meeting will be published in this paper if copy is received in time.

Break In Fire Engine

While returning from a practice run last Sunday, in the course of which the playgrounds of the Acacia school were thoroughly irrigated, one of the valves in the fire engine gave out and it was turned in to the Roake garage for repair. Mr. Roake spent a good portion of the night working upon it, and it was returned to the fire house Tuesday afternoon.

MAYOR PETERS HURT

Mr. Frank E. Peters is confined to his home by injuries sustained last Saturday. In stepping from an automobile he slipped and fell heavily to the pavement severely bruising his back, limbs and arms. His friends hope to see him about again in a few days.

Acting Corporal Stephenson

Letters from Dwight Stephenson indicate that he is making good, as his friends expected he would do. He is now acting oorporal. Most of the privates in his brigade have been sent to New York but twelve, including Dwight, were held back for non commissioned officers. There is a strong probability they will soon have to follow their comrades.

Leave for Ohio

Mrs. H. C. Seaman, Jr., and two children, left Monday morning via Santa Fe for Middletown, Ohio, to join Mr. Seaman who has gone into business there.

Boquets for Tropico's Tenor

The audience which assembled for the community singing last Saturday in Glendale was greatly delighted with the contributions to the program made by Dr. Joseph Marple of Tropico., who promised to attend and sing at the next concert. His selections were: "Consider and Hear Me" by Willard, "Just a Little Bit of Heaven", and "Mother Machree".

Bazaar and Dance

The Pythian Sisters are to have a dance in connection with their Bazaar which comes off November 16th in K. of P. Hall on Brand Bouleard. The Howdy Orchestra will furnish music, and there will be all kinds of good things to eat and drink at the refreshment booths. It will be a thoroughly social affair which ought to attract a big crowd.

MISSIONARY TEA

A misionary tea will be held by the Woman's Foreign Missionary Society of the Tropico Methodist church at the home of Mrs. Thomas Meagher, 319 West 10th, on Thursday afternoon, Nov. 8th, at 2:30 o'clock.

Social Life in Atwater Tract

Mrs. Albert Harris of Perlita avenue enjoyed a birthday surprise last week which took the form of a hallowe'en party. Covers were laid for fourteen and the refreshments were most delicious. Mrs. Harris received several beautiful pieces of cut glass, as souvenirs of the occasion.

Mrs. Nettie Tindle and daughter Alice Tindle of Pasadena were recent guests of Mr. and Mrs. Milton Baird of Brand Boulevard, Atwater Tract.

Mr. and Mrs. W. S. Grauel of Meadville, Pa., are guests of Mr. and Mrs. Henry Grauel of Perlita avenue.

Mr. and Mrs. Thomas Cooney were Sunday visitors in Santa Monica.

Home Missionary Meeting

The Woman's Home Missionary Society of the Tropico Methodist Church, met Wednesday afternoon at the residence of Mrs. Robinson on Acacia street. Besides a good attendance of members, there were a number of visitors present. Mrs. Emily Kopp presided and an excellent program was given. Mrs. Teasdale was made chairman of the finance committee, a new member was received into the society, and refreshments were served by the hostess.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

DOINGS OF THE GRAND JURY

Mr. Merritt Ludden, Secretary of the Grand Jury, reports that the jury is still kept very busy with important matters. As a result of its investigations into the doings of Venice officials, two men are in jail, one, C. Y. Byrnes, City Clerk, under indictment for the embezzlement of city funds on three charges; the other, former city tax collector, J. E. Crouch, who confessed to embezzlement, is awaiting sentence. Mr. Garrity, a member of the Board of Trustees has been indicted for soliciting a bribe.

Mr. Ludden says the troubles of Supervisors Norton and Hamilton may have been due in part to the involved system of keeping county accounts which has been changed and henceforth will show at all times the balance in any fund.

Y. M. C. A. Drive

Rev. McClain of Glendale, who is chairman of this district for the big Y. M. C. A. drive, called a meeting at the home of Rev. O. P. Rider last Friday evening where plans were discussed for the campaign which will begin Sunday. Soldiers are to be detailed to speak at the morning services in all the churches to urge the need of money to carry on the work. The organization is striving to secure a fund of $35,000,000. The amount which Los Angeles County is asked to contribute is $400,000. Tropico, Glendale and Casa Verdugo will constitute one unit which it is hoped will subscribe $5000.

Extension Course

Tropico is to have the good fortune to be a center for one of the Extension Courses of the University of California. This will be a French course of fifteen lessons by Mr. Louis F. D. Briois and will be given Saturday afternoons at the home of Mrs. Charles M. Turck, on North Glendale avenue.

Mr. Vandiver, the postman, is at home again at 1224 W. Ninth street where he will be glad to see his old friends.

Mrs. B. C. Cory, wife of the pastor of the Methodist church, is visiting her daughter in Santa Barbara.

Invitations Recalled

Invitations for the wedding of Miss Frances Ann Peckham and for the shower which was to have been given Friday evening at the Weston Studio, have been recalled because her fiance has been called to war and the marriage has been indefinitely postponed.

Accepted as Soldiers

Of the selects examined last Thursday at Glendale by the exemption board, thirty-four were accepted and enrolled in the army. Those from Tropico were:

RED CROSS MARCHES FOR LIBERTY

Plucky Red Cross Nurses Walk Miles in Hot Sun for Liberty Loan.

The sun rose early on Liberty Day in Los Angeles. By noon, its heat was intense—especially so for an October day. But it could not keep the splendid women of the Red Cross Nursing Service from doing their bit to make the Liberty Loan Parade a success. They walked miles and miles that afternoon, but not a complaint came from their lips.

This was not the first time they had put aside their regular work and gladly stepped in wherever they could help. Since the day war was declared, the women of the Red Cross have been ready and anxious to do their part, and give every possible assistance to all the great national movements. This has been in addition to the tremendous activities which the regular work of the organization entails.

The Red Cross is outstanding in its efforts to encourage and stimulate recruiting; in its endeavors to teach the women of America the true meaning of economy, and in its splendid support of the two Liberty Loan issues.

And moreover, they have been striving always to aid the sick and wounded in France and Belgium, and preparing for the great work that lies before them with our armies across the sea. Wherever the Flag goes, there also goes the Red Cross.

PROCEEDINGS OF BOARD OF TRUSTEES

It was fortunate that the amount of business to be transacted by the City Council at its Tuesday night meeting was small; for but three members were present, viz. Trustees Seal, Henry and Alspach, the last named presiding. Trustee Veselich had asked to be excused and President Peters was confined to his home by injuries sustained last Saturday.

The only communication submitted by Clerk VanWie was a letter from the Yuletide Committee of Los Angeles thanking the Board for its contribution of $25.00 to the Yuletide Fund.

The Clerk then presented a request from the Tropico Red Cross Auxiliary for an appropriation of $6.00 for cost of material needed for the manufacture of Service flags to be presented to the Tropico families who have contributed the thirty-five boys who are now in the army or navy. The organization agreed to make the flags if the Council would follow the example of other municipalities and make the appropriation. On motion of Trustee Henry, seconded by Seal, the request was granted and the appropriation made.

Trustee Seal then suggested that the Auxiliary put some needlework on the new flag upon the City Hall to prevent fraying out at the ends and Miss Gibbs undertook to see that the work was done.

Trustee Alspach then gave a report of the meeting of the board as a committee of the whole with the city council of Glendale and of a subsequent meeting with the Los Angeles City Council which voted to appropriaate $12,500 for the Ivanhoe bridge. Also that the County Supervisors had increased their appropriation to $6500 which would leave but $1000 to be raised by this district. He further stated that the Board would adjourn to meet again Thursday night for a further conference with Glendale and Burbank officials to determine what part of the $1000 Tropico must pay.

Reports of City officials were then presented which will be published next week.

Demands

The following demands were approved and ordered paid:

T. G. and T. Co. for water $79.30; So. Cal. Edison for lights $241.26; C. Jennings for street work incidentals $10.50; Edwards (garbage) $40.50; Newton Co. for light bulbs $6.32 and $13.64.

The Board then adjourned.

Epworth League Meeting

At the meeting of the Epworth League held in the Social Hall of the Methodist Church last Friday evening, Mrs. Retts was elected fourth vice president to take the place of Miss Edna Phillips. A social hour diversified by games of various sorts and hallowe'en refreshments, was then enjoyed. It is probable that these socials will be made monthly affairs.

Epworth League Exchanges

Last Sunday evening Epworth League Societies in this locality exchanged leaders. Miss Dora Hewitt of Tropico led the League meeting at West Glendale, Will Marple and Doctor Lucas furnishing music. The Casa Verdugo organization furnished the leader for the Tropico meeting, Mr. Clark furnishing the music. The first Methodist Church of Glendale provided the leader for Casa Verdugo.

Win Your Chum Week

Meetings every night next week in the "Win Your Chum Drive" will be held by the Epworth League organizations of the district in the First Methodist Church of Glendale. There will be special music and eminent speakers.

While the exterior of the beautiful new chapel in Forest Lawn Memorial Park is complete, its dedication is delayed by the tardy delivery of materials needed for the inside finishing. The mosaic floor is now being laid.

The crematory is now being used. The mauseleum will be built in the near future; the company is now advertising for bids on the work.

Our National Anthem

The Star Spangled Banner

O, say can you see by the dawn's early light,
What so proudly we hailed, at the twilight's last gleaming,
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, bombs bursting in air,
Gave proof thru the night that our flag was still there!
Oh! say does the star spangled banner yet wave
O'er the land of the free,
And the home of the brave.

On the shore dimly seen thru the mist of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze o'er the towering steep,
As it fitfully blows, half conceals, half discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected, now shines on the stream;
'Tis the star spangled banner, oh! long may it wave
O'er the land of the free,
And the home of the brave.

Oh, thus be it ever when freemen shall stand
Between their loved home, and the war's desolation;
Blest with vict'ry and peace, may the heaven rescued land
Praise the Power that hath made and preserved us a nation;
Then conquer we must, when our cause it is just,
And this be our motto, "In God is our trust,"
And the star spangled banner in triumph doth wave
O'er the land of the free,
And the home of the brave.
